Dear Karlin:

I want to take a moment to thank you again for the professional job that you and your staff did with our recent auction. Your firm continues to show us why it pays to hire a professional to do this job. I am sure that the City of Port St. Lucie's proceeds from its annual auction are much greater due to using Karlin Daniel & Associates with its competent staff.

Mr. Tim Hoza of your staff invested numerous hours in the days preceding and following the auction day which reduced our workload here at City Hall. His commitment to the task assures its success. Our workload is down while our proceeds are up,,, a winning situation for us.

Again, let me say that I appreciate your staff's effort and the job well done.

Sincerely,

David K. Pollard, Director  
Office of Management and Budget
